

Tanu Kumari

B.Tech AIML Student

Email: tanu424219@gmail.com Phone: 8295111206

Location : H No.7 Village Girdharpur

Profile

B.Tech student specializing in Artificial Intelligence and Machine Learning with strong academic performance and hands-on experience in programming, data structures, and HR internship exposure.

Education

B.Tech (AI & ML)	2024 – 2028
Rao Pahlad Singh College of Engineering and Technology	
Senior Secondary (XII), CBSE - Science	2024
Sawan Public School, Sirsa	
Percentage: 81.6%	
Secondary (X), CBSE	2022
Sawan Public School, Sirsa	
Percentage: 83.8%	

Work Experience

HR Intern	Jan 2026 – Mar 2026
Wellborn Technologies Private Limited (Virtual)	
- Assisted in candidate sourcing and screening for multiple job roles. - Coordinated interview scheduling and communication with candidates. - Maintained and updated candidate databases efficiently. - Supported recruitment operations and gained practical HR knowledge.	

Trainings / Certifications

Machine Learning Workshop	Sep 2025
Techiguru, Mahendragarh	
- Learned foundational AI and ML concepts. - Explored types of machine learning with hands-on practice.	
Python Essentials 1	Nov 2025
Cisco Networking Academy (with Python Institute)	
Gained knowledge of variables, data types, and control structures.	
Data Structures and Algorithms	Jan 2026
Expertifit	
Covered arrays, linked lists, stacks, queues, trees, and sorting techniques.	
DSA Refresher: Be Interview Ready	Feb 2026
Skill Academy by Testbook	
Strengthened problem-solving and coding techniques.	

Projects

C++ Calculator	Apr 2026
- Developed a calculator for basic arithmetic operations. - Used switch-case logic for implementation. - GitHub Link	
Password Checker (C++)	Apr 2026
- Built a password validation system using conditional logic. - Displays access messages based on validation. - GitHub Link	

Skills

- Programming: C++, Python
- Data Structures and Algorithms
- DBMS, OOP
- Leadership
- English Proficiency (Spoken & Written)

Languages

English (Fluent)

Hindi (Fluent)

Punjabi (Conversational)

Accomplishments

- Ranked 1st (Sem 1), 2nd (Sem 2), and 1st (Sem 3) in AI & ML program.
- Secured 3rd position in college poetry competition, showcasing creativity and confidence.
